

HUB *noun: a center of activity*

At BizHub Industrial Park, we're building a progressive industry centre that welcomes customers, attracts employees, and connects you to the world. Built to maximize sustainability and growth, BizHub has become the hub of Saskatoon's industrial market. Drawing on the experience and resources of Concorde Properties, one of Western Canada's leading developers, BizHub Industrial Park is introducing its next phase of light-industrial lots.

Put your business in the hub -

BizHub.

Current Operators/Owners at BizHub Industrial Park

Conveniently located along Highway 16, the highest travelled highway in the province, BizHub offers excellent access to John G. Diefenbaker Airport and Saskatoon's bustling North Industrial Area. This premium placement provides direct exposure to Highway 16 and excellent access to Highways 7 and 11.

With wide, paved interior roads, BizHub is ideal for trucking companies, manufacturers, dealerships, distributors and the like. With lots at a minimum of 5 acres and the ability to package lots together, the possibilities are endless.

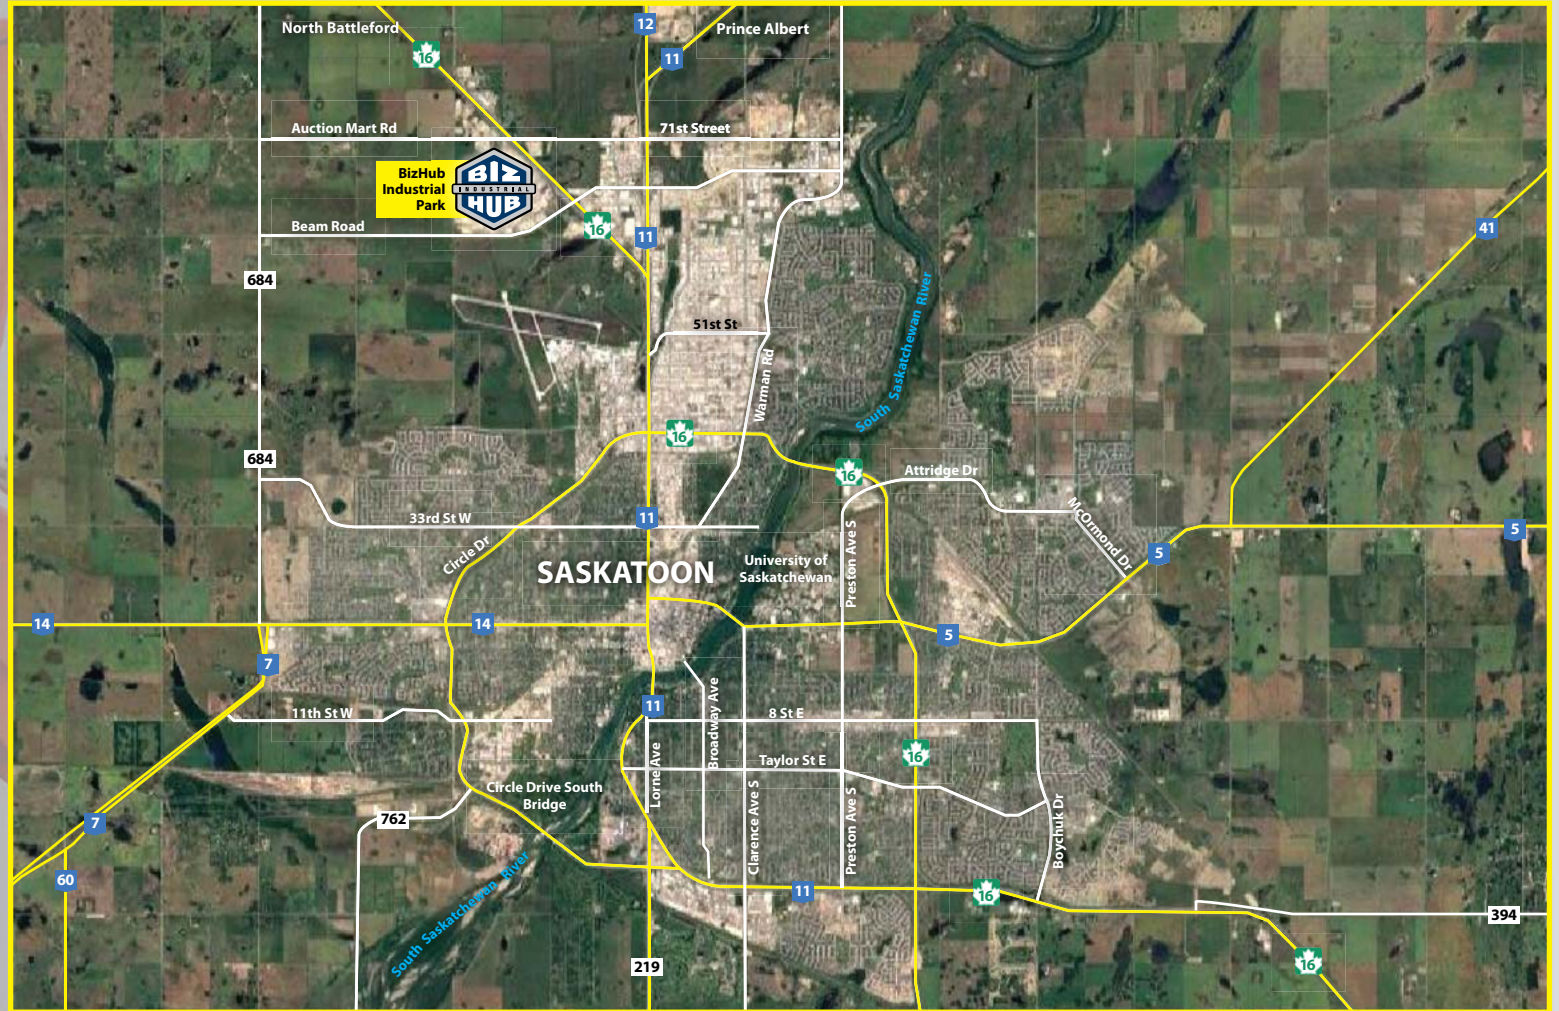

BizHub offers full fireflow water protection. A six inch dedicated line is capable of producing a maximum flow of 1550 US gallons per minute to any fire suppression system.

Architectural guidelines are in place to protect your investment. Only high quality buildings with high quality owners.

An application for a three-year tax abatement policy from the RM of Corman Park is also available.
